## **What is your minimum fee?**

Due to high demand, there will be a minimum fee of \$500 for all Saturday bookings.

## **Where are you located? Do you require a travel fee?**

Karlee Beauty exclusively offers services on-site. Therefore, all services shall be performed at the client's location. A travel fee will not be required for clients located in the following counties: Davidson, Sumner, Wilson. For all other locations, a fee of \$0.50 per mile roundtrip will be charged after the first 30 miles.

## **Do I need to do anything to prep the location prior to services?**

I have provided services everywhere from a luxury hotel suite to the back of my SUV. I can adapt to most spaces as long as there is a clean, flat surface where I can place my products. Having access to an electrical outlet is also key. Most clients prefer to set up in their kitchen or bathroom. Natural lighting in the room is preferred.

## **Can I schedule a preview before committing for my wedding day?**

Absolutely! You are more than welcome to schedule a preview prior to committing to services for your big day. However, it is important to keep in mind that the date of your wedding will not be secured in Karlee Beauty's calendar until you have paid the retainer fee and submitted a signed bridal contract.

## **What products do you keep in your kit?**

I keep a variety of products in my kit. I like to be prepared for any scenario and be ready to provide services for anyone, no matter their age, race, gender, etc. A majority of my kit is filled with professional and high-end makeup products, with a few favorites from the drugstore thrown into the mix. Brands regularly kept in my kit include Temptu, RCMA, Too Faced, Tarte, MAC, Hourglass, Anastasia Beverly Hills, Charlotte Tilbury, and many more.

**If you're looking for flawless makeup and an artist that is easy to work with, easy to talk to, and funny to boot, go for Karlee Beauty. She did makeup for my bridesmaids and I on my wedding day and every single girl was blown away with how beautiful she made us all look. And let me TELL you about her flexibility and professionalism. This girl drove 4 hours EACH WAY just for my trial and 3 hours each way for my wedding all while arriving early.**
